

Calvin the Caterpillar

***New Product Release - 5/29/03
Little Tikes Commercial Play Systems***

Calvin the Caterpillar is a huge 8-foot, multi-sensory adventure designed for climbing, exploring and learning for children ages 2 -12 years. Kids can climb, hang or tunnel underneath Calvin. And when they're done with that- they can explore the life cycles, count ladybugs, or discover what surprises are under his shoes!

Calvin is also available with a complete set of curriculum to teach kids while they're having fun!

Key Features:

- BIG sculpture at eight feet long
- Six different shoes with surprises under each one
- Life cycle of a caterpillar molded in
- Hidden butterfly on Calvin's belly
- Ladybugs to count on top of Calvin
- Complete curriculum designed specially for Calvin

For more information on incorporating Calvin into your next play area contact your local All About Play sales representative.
